

Certificate of Completion

This is to certify that

BOULGHERAIF Fatma Zohra

has successfully completed

“GNNs for Rising Stars”

an 8-week program, completed on **March 1, 2026**

The program covered key concepts in **Graph Neural Networks**, including **graph representation learning**, **message passing frameworks**, **node and edge embeddings**, and **real-world applications**. We recognise their dedication, technical proficiency, and commitment to advancing their knowledge in this specialised area of machine learning.
